Greetings from Fortune Bay!

"You have to keep things fresh," is something we hear every so often here at Fortune Bay Resort Casino and that's exactly what we strive to do on a regular basis. Whether it is trying out new fare in our ever changing Tamarack restaurant or new games in our fast paced casino. Keeping things fresh is our main focus as we head into the busy summer months that will soon be here.

For the former, you may have noticed our new billboard signage throughout the area letting people know we always have some great deals cooking in the Tamarack Restaurant. Speaking of great deals, you don't want to forget about bringing mom out here for our out-of-this-world Mother's Day Buffet!

Reservations are filling fast, so make sure to give us a call so you won't be left scrambling on where to take mom for her special day on Sunday, May 9th. As for the latter, we are busy keeping things fresh by introducing new slot machines that have proven to be a great addition to our floor. Popular games like Jewel of Africa, Rome & Egypt and Jackpot Block Party are now in play and they have been a huge success with our loyal players!

We'll also be kicking off our Wild Flowers promotion in May, where you will have the chance to win a lot of Cash in our new spring promotion. We're also giving two lucky winners 2010 Cub Cadet riding lawnmowers to start their spring off right! Will you be one of our lucky winners?

The end of May brings us to our ever popular Memorial Day Free For All. Not only will there be plenty of free activities going on inside the casino, but we'll also be having our famous Fortune Bay fish fry and a free ice cream sundae bar! This is one event you don't want to miss, but then again, once you look through this month's issue of your Players Club mailer, you'll soon realize there are plenty of other events you won't want to miss as well.

Thanks again for your continued support, have a great day!
