The Holiday Season is upon us and that means it's time to start shopping for gifts. But rather than fighting with other customers over a last minute gift for Uncle Herbert, wouldn't you rather win one? In our latest promotion that is exactly what you can do! During our "Winter Winnerland" promotion, there will be four nights "STUFFED" with prizes to be given away. Blue Ray players, digital cameras and flat screen TV's are just a few of the prizes that Unkie Herbie will be "GIVING THANKS" for! So start earning your points on November 1st, because you don't want to miss out on this!

During the holiday season it can also be hard to get some time to just let loose. Well your chance to get a little bit crazy is near. Join us on December 17th for an outdoor concert! That's right, an outdoor concert in December! So throw on some wool socks and a pair of long

underwear and get ready to rock out in a giant heated tent to none other than "HEART"! Oooooo Barracuda!

Finally, the holiday season brings one more thing, SNOW! And what better way to get around in the fresh snow than on a brand new Polaris 600 IQ Shift snowmobile! We just so happen to be giving two of these snowmobiles away! We will be giving the first one away on November 18th and another on December 18th! If Santa had one of these maybe he would have had some extra time at the end of the night to work off some cookie calories.

There is much, much more going on at Fortune Bay that couldn't possibly be fit into one letter; so be sure to check us out on our website; Fortunebay.com, for all the details! And of course, have a safe and joyful holiday season from all of us at Fortune Bay!
